

Job Description

Jacko Law Group, PC (“JLG”), a corporate and securities law firm, is seeking an Attorney to support our growing litigation practice and provide an exceptional experience for our clients. The ideal candidate will have strong civil litigation experience, be organized, have great attention to detail, can work independently and in a team environment, and is highly motivated. The Attorney should have at least four to six (4-6) years of relevant experience. This position offers tremendous growth potential and an opportunity to learn all aspects of the securities industry, including broker-dealer, investment adviser, private and public fund space.

Key Responsibilities:

As an Attorney, you will manage a varied caseload from inception through resolution, working closely with senior attorneys and our dedicated support staff. Your primary responsibilities will include:

- Draft and respond to **written discovery** (interrogatories, requests for production, and admissions).
- Take and defend **depositions** of parties, witnesses, and experts.
- Support **trial preparation**, including drafting motions, preparing exhibits, and coordinating witnesses.
- Manage **expert witnesses**—selection, preparation, and testimony coordination.
- Provide **clear, timely client updates** and case status reports.
- Leverage **cloud-based platforms and AI tools** to improve efficiency and outcomes.

Qualifications Required

- Juris Doctor (JD) from an accredited law school.
- Active admission to the **California State Bar** (required).
- Minimum **4 years of commercial or civil litigation experience**.
- Strong knowledge of litigation processes and procedural rules.
- Excellent **legal research, writing, and analytical skills**.
- Familiarity with **cloud-based litigation platforms** and billing protocols.
- Strong **communication skills**—both written and verbal.

- Ability to work **independently and collaboratively**.
- Highly **organized, detail-oriented**, and effective at managing deadlines.

Why Join Us?

- **Competitive Compensation:** We offer a highly competitive salary commensurate with experience, (\$125,000-\$135,000 DOE) plus incentive and performance-based bonus structures.
- **Benefits Package:** Comprehensive benefits including Medical, 401k, 10 Paid Holidays, PTO and Sick time.
- **Professional Growth:** Direct mentoring from experienced senior attorneys and paid continued legal education (CLE).
- **Collaborative Environment:** A supportive, technology-driven, and energetic hybrid office culture.
